INVITATION ClimateLaunchpad

Sydney **PITCH FINAL**

We are delighted to invite you to the Sydney Pitch Final of the global clean-tech and green business ideas competition and Boot Camp program, ClimateLaunchpad.

The top two start-ups will be selected to attend the National Finals in Melbourne for their chance to go to the international Grand Final in Edinburgh on 1-2 November to represent Australia among 45 other competing countries. One team will also receive the EnergyLab and Climate-KIC Australia pre-accelerator prize.

The top ten teams globally win a spot in the renown Climate-KIC Europe Accelerator - one of the leading cleantech and green business acceleration programs globally. In 2017, thirteen entrepreneurs on the Forbes 30 under 30 list came out of the KIC programs.

Join us for a night of high energy, networking and hear pitches from our competing teams. Drinks and canapes will be provided.

The criteria for selection are:

· Business or Market Potential
· Job Potential or Social Impact
· Innovation or Technology
· Potential Climate Impact
· Strength of Management Team
· Quality of Pitch

About ClimateLaunchpad

ClimateLaunchpad is the world's largest green business ideas competition and part of the Entrepreneurship offerings of Climate-KIC Australia.

Climate-KIC Australia are a public-private innovation partnership bringing together partners from business, government, academia and the public and non-profit sector to create a community of expertise, through which innovative services, products and systems can be developed, introduced to market and scaled up for impact.

The competition creates a stage for those ideas.
